Client: Holy Trinity Church Walton PCC

# Holy Trinity Church, Aylesbury

Extension and internal reordering,  
Walton, Aylesbury, Buckinghamshire

Creating an uncompromisingly modern approach and entrance to the existing C19th church, a two storey extension also provides an attractive reception area and coffee shop at ground level, with additional meeting spaces on the floor above. Visitors can access the upper floor via a new oak staircase or a platform lift. An internal link has also been created to the adjacent Walton Hall.
