Education

Client: Diocese of Peterborough

St Loys C of E First School

New school hall with associated facilities
Weedon Lois, Northamptonshire.

A large multi-purpose hall, complete with reception area, store rooms, kitchen and WCs, features a steel frame structure clad in local stone, iroko boarding, a Kalzip standing seam roof and underfloor heating fed by an air source heat pump.

Architect:
Grayling Thomas

Structural engineer:
Ian Harban

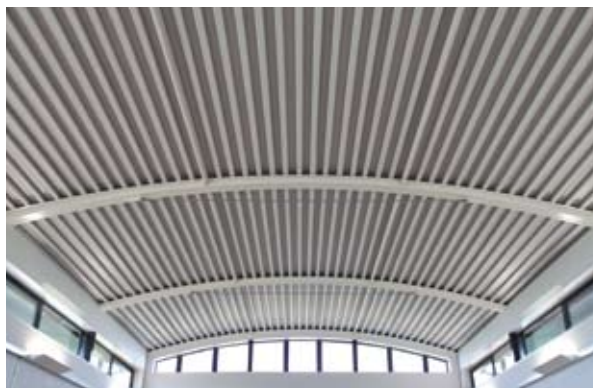

Quantity surveyor:
Hadland, Manning, Bullock
