

- 1 Retained neo-gothic features contrast with contemporary glass block walling and a sprung Junkers timber floor to create an exciting dance environment
- 2 Automatically opening Vitral roof lights provide high levels of natural light and ventilation control

## Education

Client: Thornton College

# Expressive Arts Studio Thornton College

Construction of new arts facility,  
Thornton College, Buckinghamshire.

Thornton College's new dance studio,  
constructed within an external courtyard,  
both complements and contrasts with  
the neo-gothic architecture of this  
early victorian country house.

Architect:  
Acanthus Clews

Quantity surveyor:  
Nisbet LLP

Structural engineer:  
Young & Webb

Mechanical and electrical engineer:  
Project Design Services
